5 Warranties and confirmations

I confirm, represent and warrant to the Company that:

5.1 I am the beneficial owner of the Company Shares specified in schedule 1, which are fully paid free from all liens, charges, security interests, encumbrances, restrictions, options, pre-emption rights and other third party rights or interests of any nature (including any such interest which imposes any restriction on the right to exercise the voting rights attached to

such shares) and I am not, nor any persons connected to me, interested in any shares or other securities of the Company other than the Company Shares;

5.2 except as specified in schedule 1 (if applicable), I am also the sole registered holder of the Committed Shares. If and to the extent that I am not the sole registered holder of any of the Committed Shares, I undertake to procure full compliance by the registered holder(s) with the terms of this undertaking and any provision in this undertaking whereby I agree to do or not do anything in relation to the Committed Shares includes an undertaking to procure that the registered holder acts accordingly;

5.4 I have full power, authority and the right (free from any legal or other restrictions) to enter into and perform this undertaking, which constitutes a valid and binding obligation on me in accordance with its terms. 6 **Termination of this undertaking**

This undertaking will cease to be of any further force or effect (without prejudice to any rights in respect of any prior breach) if the Circular is not posted by 5.00 p.m. on 25 October 2023.

Any time, date or period mentioned in this undertaking may be extended by mutual agreement but, as regards any time, date or period originally fixed or as extended, time shall be of the essence.

8 **Capacity**

This undertaking has been signed in my capacity as a shareholder (including, where appropriate, in my capacity as beneficial owner of the Committed Shares and/or as a person able to control the exercise of all rights, including voting rights, attaching to the Committed Shares) and not in any other capacity.

9 **General**

9.1 Without prejudice to any other rights or remedies that the Company has or may have, I acknowledge and agree that damages alone may not be an adequate remedy for any breach of this undertaking and accordingly that the Company shall be entitled to seek the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of this undertaking without proof of special damages.

9.2 The provisions contained in each clause of this undertaking will be enforceable independently of each of the others and their validity will not be affected if any of the others are invalid or otherwise unenforceable. If any provision of this undertaking is declared void or unenforceable but would be valid or enforceable if some part of the provision were deleted, the provision in question shall apply with the modifications necessary to make it valid and enforceable.

9.3 This undertaking contains the whole agreement between the parties relating to the matters contemplated by this undertaking and supersedes all previous agreements, whether oral or in writing, between the parties relating to these matters.

9.4 The Contracts (Rights of Third Parties) Act 1999 shall not apply to this undertaking and no rights or benefits expressly or impliedly conferred by this undertaking shall be enforceable under that Act against the parties to it by any other person.

9.5 This undertaking will bind my estate and personal representatives.

- 9.6 This undertaking is governed by and shall be construed in accordance with the laws of England. Non-contractual obligations (if any) arising out of or in connection with this undertaking (including its formation) shall also be governed by the laws of England.
- 9.7 I submit to the exclusive jurisdiction of the courts of England and Wales as regards any claim, dispute or matter (whether contractual or non-contractual) arising out of or in connection with this undertaking (including its formation).

INFORMATION REGARDING FORWARD-LOOKING STATEMENTS

This document contains statements which are, or may be deemed to be, “**forward-looking statements**” which are prospective in nature. All statements other than statements of historical fact are forward-looking statements. They are based on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as “**plans**”, “**expects**”, “**is expected**”, “**is subject to**”, “**budget**”, “**scheduled**”, “**estimates**”, “**forecasts**”, “**intends**”, “**anticipates**”, “**believes**”, “**targets**”, “**aims**”, “**projects**” or words or terms of similar substance or the negative thereof, as well as variations of such words and phrases or statements that certain actions, events or results “**may**”, “**could**”, “**should**”, “**would**”, “**might**” or “**will**” be taken, occur or be achieved. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. Forward-looking statements include statements relating to (a) future capital expenditures, expenses, revenues, earnings, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects, (b) business and management strategies and the expansion and growth of the Company’s operations, and (c) the effects of global economic conditions on the Company’s business.

Such forward-looking statements involve known and unknown risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors may cause actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Important factors that could cause actual results, performance or achievements of the Company to differ materially from the expectations of the Company include, among other things, general business and economic conditions globally, industry trends, competition, changes in government and other regulation and policy, including in relation to the environment, health and safety and taxation, labour relations and work stoppages, interest rates and currency fluctuations, changes in its business strategy, political and economic uncertainty and other factors discussed in Part II (*Risk Factors*) of this document. Such forward-looking statements should therefore be construed in light of such factors.

Neither the Company nor any of its directors, officers or advisers provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document will actually occur. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as at the date hereof.

Nothing in this paragraph headed “*Information Regarding Forward-Looking Statements*” should be taken as limiting the working capital statement in paragraph 12 of Part VI (*Additional Information*) of this document.

Other than in accordance with its legal or regulatory obligations (including under the Listing Rules, MAR and the Disclosure Guidance and Transparency Rules), the Company is not under any obligation, and it expressly disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

NO PROFIT FORECAST

No statement in this document is intended as a profit forecast or a profit estimate and no statement in this document should be interpreted to mean that earnings per Ordinary Share for the current or future financial years would necessarily match or exceed the historical published earnings per Ordinary Share.

20 October 2023

Dear Shareholder,

Proposed disposal of South Asian IP

and

Notice of General Meeting

1 Introduction

On 4 October 2023, the Company announced that it had entered into agreements for a joint venture with Reliance Brands Holding UK Limited (“**RBUK**”), a subsidiary of Reliance Brands Limited (“**RBL**”), Superdry’s exclusive franchise partner in India since 2012, and the sale to the joint venture vehicle, IPCO Holdings LLO (“**IPCO**”) of Superdry’s intellectual property assets in India, Sri Lanka and Bangladesh (the “**South Asian IP**”) (together, the “**Proposed Disposal**”).

The Proposed Disposal constitutes a Class 1 transaction for the Company under the Listing Rules and Closing is therefore conditional, among other things, on shareholder approval.

Accordingly, a General Meeting at which Shareholders will be asked to approve the Proposed Disposal is being convened at Unit 60, The Runnings, Cheltenham, Gloucestershire GL51 9NW on 8 November 2023 at 10:00 a.m.

The purpose of this document is to provide you with information on the Proposed Disposal, to explain the background to and reasons for the Proposed Disposal and why the Board believes the Proposed Disposal is in the best interests of Shareholders taken as a whole, and to recommend that you vote in favour of the Resolution.

Your attention is drawn to the fact that the Proposed Disposal is conditional and dependent upon, among other things, the Resolution being passed at the General Meeting.

If the Resolution is not passed and the Proposed Disposal does not proceed on the basis of the Company’s projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company’s base case projections):

- the Group will be unable to fund its turnaround plan;
- the Group will be unable to fund its medium-term working capital needs;

consequently;

- the Board will be required to take restructuring action and, from that point cease near-term investment;
- despite the restructuring action, the Group may not be considered a 'going concern' and may not receive a clean viability statement from its auditors; and
- as a result of the above, the Company and key trading companies in the Group could enter into administration or liquidation shortly thereafter, which could be as early as the next nine to twelve months.

Shareholders are therefore asked to vote in favour of the Resolution at the General Meeting in order for the Proposed Disposal to proceed. The Directors believe that the completion of the Proposed Disposal will increase the strength of the Company's balance sheet and, together with other actions being taken, fund its ongoing working capital requirements.

The attention of Shareholders is drawn to paragraph 13 (*Importance of vote*) of this letter, which contains further details in relation to these matters.

2 **Background to and reasons for the Proposed Disposal**

As a result of revenue and profit not meeting Superdry's expectations in the first half of the financial year ended 29 April 2023, mainly due to the underperformance of its wholesale business, the Board sought means of providing additional funding to increase the strength of the Company's balance sheet, boost liquidity, and fund the implementation of a significant cost reduction programme.

On 4 May 2023, the Company announced that it had raised approximately £12 million through an underwritten placing and retail offer (the "**Equity Raise**"). In June 2023, the Company received total proceeds of approximately £34 million, net of transaction costs and taxation, from the disposal of certain intellectual property assets in certain Asian Pacific territories (the "**APAC IP**"). On 7 August 2023, the Company announced that it had agreed a secondary lending facility of up to £25 million with Hilco Capital Limited.

Despite these actions, and full-price trading and the cost efficiency programme driving margin improvement, the Company is still operating in challenging markets, with Group revenue down 18.4% in Q1 2024, and wholesale revenue down 50.3% during the same period.

Since partnering with RBL in 2012, the Superdry brand has expanded rapidly in India. Considering the backdrop of a growing Indian economy, a growing population of affluent shoppers, and ever-increasing apparel consumption rates, the Superdry brand in the market has attractive potential. As the leading fashion retail operator in India, RBL is best placed, through a majority IP ownership stake, to maximise the opportunity.

Superdry believes that the Proposed Disposal will provide the best opportunities for the future growth of the Superdry brand in South Asia and allow the Company to focus on growing its brand and increasing sales in its more established territories.

RBL is the premium retail arm of Reliance Retail Ventures Limited ("**RRVL**"). RRVL operates over 18,500 stores across India with a presence in 7,000 cities and a total shopping area of more than 70 million square feet.

3 **Information on the Proposed Disposal**

4 **Summary of terms of the Proposed Disposal**

The Proposed Disposal comprises the assignment by the Company, DKH Retail Limited ("**DKH Retail**") and Supergroup Internet Limited ("**Supergroup Internet**") (DKH Retail and Supergroup Internet each being a subsidiary of the Company) of the South Asian IP to IPCO for consideration of £40 million.

Pursuant to the LLP Agreement, RBUK has agreed to invest approximately £30.4 million in IPCO (a limited liability partnership), representing a 76 per cent. interest in IPCO. DKH Retail has agreed to invest £9.6 million in IPCO, representing a 24 per cent. interest in IPCO. DKH Retail's obligation to contribute the £9.6 million to IPCO shall be set-off against IPCO's obligation to pay DKH Retail an equivalent amount for the South Asian IP.

Accordingly, the gross proceeds (which will all be received in cash) that DKH Retail will receive from the Proposed Disposal after such set-off are £30.4 million.

Under the LLP Agreement DKH Retail has the benefit of certain reserved matters consistent with its position as a minority member. Neither RBUK nor DKH Retail is permitted to transfer its membership interest to a third party (other than an affiliate) without the prior written consent of the other party and each party shall benefit from pre-emption rights on transfer. RBUK has the right to call for all of the membership interests held by DKH Retail and its affiliates in IPCO if DKH Retail has committed certain breaches of the LLP Agreement and in certain other situations. DKH Retail has the right to require RBUK to buy all of the membership interests held by DKH Retail and its affiliates in IPCO if RBUK has committed certain breaches of the LLP Agreement and in certain other situations.

IPCO will grant a series of licences in respect of the South Asian IP to Superdry to enable Superdry (and its affiliates) to import goods and products bearing the “SUPERDRY” brand into the Territories, solely to IPCO and its affiliates, manufacture/facilitate the manufacture and export of goods and products bearing the “SUPERDRY” brand from inside the Territories to outside of the Territories, engage with existing contract parties in the Territories to run-off stock and comply with any existing contractual obligations in the Territories and to use, outside of the Territories, any new designs and ‘tech packs’ (or other intellectual property) relating to products, marketing designs and store designs developed by IPCO or RBL (or any other permitted sub-licensee) in connection with the “SUPERDRY” brand.

Superdry will grant to IPCO (and IPCO may sub-licence such right to RBL) an exclusive right to use, on a royalty-free basis, within the Territories, any past, current and new designs and ‘tech packs’ (including improvements in relation to the same), relating to products, designs, marketing designs, store designs and the like, that Superdry (or its affiliates) develop.

IPCO will grant a series of perpetual licences in respect of the South Asian IP to RBL (and its affiliates) appointing them as licensee and sub-licensee and exclusive franchisee of IPCO in the Territories.

RBL shall have the right, pursuant to the Product Supply Agreement, to purchase from DKH Retail products for resale by RBL within the Territories at pricing on customary market terms.

Closing is conditional upon:

- the passing of the Resolution without amendment at a general meeting of the Company; and
- receipt of all corporate, third party, statutory and regulatory approvals (including without limitation from third parties having security interests or other charges or encumbrances over any portion of the South Asian IP), including consent from Bantry Bay Capital Limited (as agent under the Facility Agreement) and Hilco (as lender to the Group);

(together, the “**Conditions**”) in each case by no later than the Long Stop Date.

Further details of the Proposed Disposal are set out in Part V (*Principal Terms and Conditions of the Proposed Disposal*) of this document.

5 **Use of proceeds and financial effects of the Proposed Disposal**

On Closing, Superdry expects to receive Net Proceeds of the Proposed Disposal of approximately £28.3 million. The net proceeds from the Proposed Disposal will be used:

- to fund the Company’s turnaround plan to enable cost savings to be fully realised (estimated net proceeds of £4.0 million);

- to fund retail stores estate optimisation, including exiting unfavourable leases and reducing lease obligations (which are pending conversations with landlords) (estimated net proceeds of approximately £3.0 million);
- to offset inflationary pressure, including through salary reviews (estimated net proceeds of approximately £6.0 million); and
- to offset the cost of financing through peak stock purchasing period (estimated net proceeds of approximately £10.0 million); and
- to reduced debt (estimate net proceeds of approximately £5.3 million).

As a result of the Proposed Disposal, following Closing, the Company expects revenue relating to the South Indian IP to decrease by £6.3 million and profit before tax to decrease by £1.5 million for FY24.

The South Asian IP's gross assets as at each of 24 April 2021, 30 April 2022 and 29 April 2023 were nil.

The pro forma effects of the Proposed Disposal on the net assets of the Retained Group are set out in Part IV (*Unaudited Pro Forma Financial Information of the Retained Group*) of this document. The financial information in this paragraph 5 has been extracted without material adjustment from the financial information contained in Part III (*Financial Information relating to the South Asian IP*) of this Circular

6 **Current trading, trends and future prospects for the Retained Group**

The Company released a Q1 trading update on 1 September 2023 covering the 13-week period from 30 April 2023, which included the following information on current trading and outlook:

“Group revenue was down 18.4% over the period but in terms of overall performance, we are performing broadly in line with our expectations as full-price trading and the cost efficiency programme are driving margin improvement.

First quarter Store revenue declined by 3.7% when compared with the same period last year, largely on account of the unseasonable weather, and a later start to our end-of-season sale.

Ecommerce sales declined by 12.6%, also impacted by the later start to sale, as well as a profit-focused reduction in spend on digital marketing. In total, our Retail segment was down 6.6%.

Wholesale revenue is down 50.3% during the period, which is partly a result of year-on-year timing differences. Adjusting for these, the underlying performance is closer to 30% down which is more in line with expectations and reflects changes including the decision to exit our US wholesale operation.

Wholesale production and distribution has long lead times, and it will take some time for the impact of the new leadership in this area and the reversion to an agency model in some major European markets, to be seen in the sales performance.

The consumer retail market continues to remain challenging and unpredictable. The extreme weather events across the UK and Europe have had a negative impact on our Spring Summer collection. Conversely, our new Autumn Winter collection is selling better this early in the season, than usual. Building on the success of our jacket collection last year, we continue to anticipate another strong year for our outerwear.

For the full year, we don't expect to see significant revenue growth as we focus on cost savings and margin improvement. The £35m cost savings programme announced earlier in the year should be fully realised during FY24."

7 **Current trading, trends and future prospects for the South Asian IP**

The South Asian IP's performance has been broadly flat, with no significant change to its market position, operations or regulatory position. FY24 sales budgets are expected to be flat year-on-year, with ten additional franchise stores planned over the next twelve months to support future growth ambitions.

8 **Risk factors**

For a discussion of the risks and uncertainties which you should take into account when considering whether to vote in favour of the Resolution, please refer to Part II (*Risk Factors*) of this document.

9 **General Meeting**

The General Meeting is being convened at Unit 60, The Runnings, Cheltenham, Gloucestershire GL51 9NW on 8 November at 10:00 a.m. for the purpose of seeking Shareholder approval for the Resolution.

The Resolution will be proposed as an ordinary resolution requiring a majority of votes in favour.

The Proposed Disposal will not become effective unless the Resolution is passed.

10 **Irrevocable undertakings**

The Company has received irrevocable undertakings from each of the Directors who are Shareholders to vote in favour of the Resolution in respect of their own beneficial holdings, amounting to, in aggregate, 26,358,221 Ordinary Shares and representing approximately 26.91 per cent. of the total issued share capital of the Company as at the Latest Practicable Date.

11 **Further Information**

The expected timetable of principal events for the Proposed Disposal is set out on page 2 of this document. Further information regarding the terms of the Proposed Disposal is set out in Part V (*Principal Terms and Conditions of the Proposed Disposal*) of this document.

Shareholders are advised to read the whole of this document (including any information incorporated by reference in this document) and not merely to rely on the summarised information set out in this letter.

12 **Action to be taken**

Please vote on the Resolution. If you cannot attend and vote at the General Meeting in person, please vote by proxy - which you may do by post, through CREST or electronically.

You will find enclosed with this document a Form of Proxy for use at the General Meeting.

Completion and return of the Form of Proxy (or the electronic appointment of a proxy) will not preclude you from attending and voting at the General Meeting in person if you so wish.

13 **Importance of vote**

Your attention is drawn again to the fact that the Proposed Disposal is conditional and dependent upon, among other things, the Resolution being passed at the General Meeting.

If the Resolution is not passed and the Proposed Disposal does not proceed on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections):

- the Group will be unable to fund its turnaround plan;
- the Group will be unable to fund its medium-term working capital needs; consequently;
- the Board will be required to take restructuring action and, from that point, cease near-term investment;
- despite the restructuring action, the Group may not be considered a 'going concern' and may not receive a clean viability statement from its auditors; and
- as a result of the above, the Company and key trading companies in the Group could enter into administration or liquidation shortly thereafter, which could be as early as the next nine to twelve months.

Shareholders are therefore asked to vote in favour of the Resolution at the General Meeting in order for the Proposed Disposal to proceed. The Directors believe that, the completion of the Proposed Disposal will increase the strength of the Company's balance sheet and, together with other actions being taken, fund its ongoing working capital requirements.

If, however, the Resolution is not passed and the Proposed Disposal does not proceed, the Company will not receive the proposed net proceeds of the Proposed Disposal and, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), will be unable to fund its turnaround plan. The key consequences of the same are that the Company would not be able to migrate its e-commerce website to operate from a pre-built platform, which it is expected would adversely affect performance and increase custom built platform operational maintenance costs.

In addition, the Company envisages that, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), it will have a medium-term liquidity shortfall and be unable to fund its working capital needs at that point. The Company anticipates that it would first be in breach of the covenants under the Facility Agreement (under which, as at the Latest Practicable Date, the total amount drawn was £47 million) and the Hilco Facility Agreement (under which, as at the Latest Practicable Date, the total amount drawn

was £10 million) in June 2024, which would allow the Lender in the case of the Facility Agreement and Hilco (in the case of the Hilco Facilities) to demand repayment of the outstanding loans made thereunder (subject to, in the case of the Facility Agreement, if the relevant breach relates to the liquidity covenant, a right to cure such breach by depositing funds into a collections account maintained under the Facility Agreement within 5 business days of delivery of a notice to the Agent). At the lowest point in the working capital cycle in October 2024, the Company estimates that its liquidity shortfall would be approximately £20 million if the Facility Agreement and the Hilco Facilities Agreement are available and approximately £90 million if they are not available. In the event of a liquidity shortfall, the Group would immediately put in place an action plan to mitigate the shortfall, which would involve:

- a hiring freeze and pay increase stop for all current employees, concurrent with an inability to pay short- and long-term incentives;
- no additional investment in stores and retail estate;
- no additional investment in brand, style, and trend development;
- deferral of rent and extension of credit payment terms on all payables beyond reasonable limits; and
- to the extent possible, seeking covenant waivers under its Facility Agreement and/or renegotiating the same.

The Group would also immediately seek new sources of capital, most likely through a substantial equity raise that would be likely to be highly dilutive to Shareholders.

As a result of mitigating actions, the Company would likely experience:

- significant increase in staff turnover, inability to attract new staff, and poor employee morale;
- deteriorating stores, with inability to exit unfavourable lease contracts leading to additional unnecessary losses incurred;
- declining sales due to lack of new styles and inability to produce and sell to meet current trends;
- deterioration in trade relationships with suppliers and customers given stretched credit terms resulting in potential loss of suppliers and wholesale or trade customers; and
- increased borrowing costs.

Given the medium term working capital shortfall in the event the Proposed Disposal does not successfully complete, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), despite the Board and the boards of the relevant Group companies taking immediate restructuring action, the Company and key trading companies in the Group may enter into administration or liquidation in the near term, which could be as early as the next nine to twelve months.

Consequently, the Group is exposed to significant liquidity risks over the medium term in the absence of the proceeds of the Proposed Disposal which, without such proceeds, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), could result in the loss by Shareholders of all or part of their investment in the Company.

Accordingly, it is critical that Shareholders vote in favour of the Resolution, as the Board considers the Proposed Disposal represent the best transaction possible for the Company, Shareholders and its stakeholders as a whole in the current circumstances.

14 Recommendation

The Board considers the terms of the Proposed Disposal and the passing of the Resolution to be in the best interests of Shareholders as a whole. Accordingly, the Board

unanimously recommends that Shareholders vote in favour of the Resolution as they have irrevocably undertaken to do in respect of their own beneficial holdings of Ordinary Shares, amounting, in aggregate to 26,358,221 Ordinary Shares (representing approximately 26.91 per cent. of the total issued share capital of the Company as at the Latest Practicable Date).

Yours faithfully,

Peter Sjölander
Chair
for and on behalf of Superdry plc

PART II - RISK FACTORS

This Part II (Risk Factors) addresses the risks known to the Company and the Directors as at the date of this document to which the Company is exposed in connection with the Proposed Disposal, which could materially and adversely affect the business, results of operations, cash flow, financial condition, revenue, profits, assets, liquidity and/or capital resources of the Group, as appropriate. If certain risks materialise, the market price of Ordinary Shares could decline, and Shareholders may lose some or all of their investment.

The Company considers the risks disclosed below to be: (i) the material risks relating to the Proposed Disposal; (ii) the material new risks to the Group as a consequence of the Proposed Disposal; and (iii) the material risks for the Group which will be impacted by the Proposed Disposal.

Prior to voting on the Resolution, Shareholders should carefully consider, together with all other information contained in this document, the specific risks and uncertainties described below. The risks described below are not set out in any order of priority, assumed or otherwise.

The risk factors set out in this document are those that are required to be disclosed under the Listing Rules and these should not be regarded as a complete and comprehensive statement of all material risks which generally affect the Group. Further information on the material risks which generally affect the Group are set out in the Company's 2023 Annual Report and Financial Statements. Additional risks and uncertainties currently unknown to the Company and the Directors, or which the Company and the Directors currently deem immaterial, may also have an adverse effect on the Retained Group's operating results, financial condition and prospects if they materialise.

The information given is as of the date of this document and, except as required by the FCA, the London Stock Exchange, the Listing Rules, MAR, the Disclosure Guidance and Transparency Rules or any other applicable law or regulation, will not be updated.

A Risks related to the Proposed Disposal

1 Damage to brand and reputation

Upon Closing, a third party will own and will be using the Brand in the Territories. While Superdry and its affiliates have agreed contractual protections to minimise the risk (including limited minority protections in relation to IPCO), damage could be done to the Group's branding and reputation worldwide by that third party through, among other things, failure to achieve brand consistency, poor designs and product quality and failure to protect intellectual property rights. Any such adverse effect on the Group's branding and reputation could have a material adverse effect on the Company's financial condition and results of operation.

2 Reliance on the actions of third parties for income from IPCO and risk of dilution

As DKH Retail is a minority shareholder in IPCO with only limited minority protection rights, it will be reliant upon the actions of the majority shareholder, RBUK, and IPCO's franchisee, RBL, to generate the income stream pursuant to which it will receive income from IPCO and RBL. DKH Retail currently expects to receive revenue of £4.7 million and profit before tax of £1.1 million in FY24 from IPCO and RBL. There is no guarantee that DKH Retail will receive income from IPCO or RBUK at the expected levels or at all. Accordingly, Superdry may not receive any of that income, which may be significant given the Company's stretched financial position. DKH Retail may also be required to commit further funds to IPCO to avoid its interest in IPCO being diluted. If it does not do so when required to, it may have its interest in IPCO bought out for 70% of its share of IPCO's fair market value meaning that Superdry would be forced to sell its holding in IPCO for significantly less than what it is worth at what could potentially be an inopportune time for the Company and deprive the Company of benefitting from any future upside in performance of IPCO.

3 **Competition from Reliance or IPCO**

If, in breach of the Transaction Documents, RBUK, RBL or IPCO use the Brand outside the Territories, including through online marketing or websites offering shipping outside of the Territories, that could have an adverse effect on Superdry's sales and profits. Any such adverse effect on sales and profits could have a material adverse effect on the Company's financial condition and results of operations.

4 **Warranties and indemnities in the Transaction Documents**

The Transaction Documents contains warranties and indemnities given by Superdry (and its affiliates, including DKH Retail), details of which are set out in Part V (*Principal Terms and Conditions of the Proposed Disposal*) of this document. Superdry has undertaken due diligence to minimise the risk of liability under these provisions. However, any liability to make a payment arising from a successful claim under the warranties and indemnities could have a material adverse effect on the Company's financial condition.

5 **Conditions to Proposed Disposal**

Closing is conditional upon, among other things, the passing of the Resolution and consent being obtained from Bantry Bay Capital Limited (as agent under the Facility Agreement) and Hilco (as lender to the Group). There can be no assurance that the Resolution will be passed or such consents will be obtained and, accordingly, that Closing will take place. If Closing does not occur, any of the risks and uncertainties set out in Section B of this Part II (*Risk Factors*) in so far as they are a consequence of Closing not occurring may adversely affect the Group's business and results.

6 **Use of proceeds**

The net proceeds from the Proposed Disposal will be used to fund the Company's ongoing working capital requirements and the implementation of a significant cost reduction programme. There is no guarantee that these steps will be as successful as anticipated. For example, the cost reduction programme may lead to larger losses in revenue than expected. Any such outcomes could have a material adverse effect on the Company's financial condition and results of operations.

B Risks related to the Proposed Disposal not proceeding

1 **Inability to realise value and working capital shortfall potentially leading to administration or liquidation if the Proposed Disposal does not complete**

If the Resolution is not passed and the Proposed Disposal does not proceed on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections):

- the Group will be unable to fund its turnaround plan;
- the Group will be unable to fund its medium-term working capital needs; consequently;
- the Board will be required to take restructuring action and, from that point, cease near-term investment;
- despite the restructuring action, the Group may not be considered a 'going concern' and may not receive a clean viability statement from its auditors; and
- as a result of the above, the Company and key trading companies in the Group could enter into administration or liquidation shortly thereafter, which could be as early as the next nine to twelve months.

If, however, the Resolution is not passed and the Proposed Disposal does not proceed, the Company will not receive the proposed net proceeds of the Proposed Disposal and, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), would be unable to fund its turnaround plan. The key consequences of the same are that the Company would not be able to migrate its e-commerce website to operate from a pre-built platform, which it is expected would adversely affect performance and increase custom built platform operational maintenance costs.

In addition, the Company envisages that, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), it will have a medium-term liquidity shortfall and be unable to fund its working capital needs at that point. The Company anticipates that it would first be in breach of the covenants under the Facility Agreement (under which, as at the Latest Practicable Date, the total amount drawn was £47,00,000) and the Hilco Facilities Agreement (under which, as at the Latest Practicable Date, the total amount drawn was £10 million) in June 2024 (in the case of the Facility Agreement and Hilco (in the case of the Hilco Facilities), which would allow the Lender to demand repayment of the outstanding loans made thereunder (subject to, in the case of the Facility Agreement, if the relevant breach relates to the liquidity covenant, a right to cure such breach by depositing funds into a collections account maintained under the Facility Agreement within five business days of delivery of a notice to the Agent). At the lowest point in the working capital cycle in October 2024 the Company estimates that its liquidity shortfall would be approximately £20 million if the Facility Agreement and the Hilco Facilities Agreement are available and approximately £90 million if they are not available. In the event of a liquidity shortfall, the Group would immediately put in place an action plan to mitigate the shortfall, which would involve:

- a hiring freeze and pay increase stop for all current employees, concurrent with an inability to pay short- and long-term incentives;
- no additional investment in stores and retail estate;
- no additional investment in brand, style, and trend development;
- deferral of rent and extension of credit payment terms on all payables beyond reasonable limits; and
- to the extent possible, seeking covenant waivers under its Facility Agreement and Hilco Facilities Agreement and/or renegotiating the same.

The Group would also immediately seek new sources of capital, most likely through a substantial equity raise that would be likely to be highly dilutive to Shareholders.

As a result of mitigating actions, the Company would likely experience:

- significant increase in staff turnover, inability to attract new staff, and poor employee morale;
- deteriorating stores, with inability to exit unfavourable lease contracts leading to additional unnecessary losses incurred;
- declining sales due to lack of new styles and inability to produce and sell to meet current trends;
- deterioration in trade relationships with suppliers and customers given stretched credit terms resulting in potential loss of suppliers and wholesale or trade customers; and
- increased borrowing costs.

Given the medium term working capital shortfall in the event the Proposed Disposal does not successfully complete, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), despite the Board and the boards of the relevant Group companies taking immediate restructuring action, the Company and key trading companies in the Group may enter into administration or liquidation in the near term, which could be as early as the next nine to twelve months.

Consequently, the Group is exposed to significant liquidity risks over the medium term in the absence of the proceeds of the Proposed Disposal which, without such proceeds, on the basis of the Company's projections in a mitigated reasonable worst case scenario (but not, for the avoidance of doubt, on the basis of the Company's base case projections), could result in the loss by Shareholders of all or part of their investment in the Company.

2 There may be an adverse impact on the Group's reputation

If the Proposed Disposal does not complete, there may be an adverse impact on the reputation of the Group as a result of media scrutiny arising in connection with the attempted Proposed Disposal. Any such reputational risks could adversely affect the Group's business, financial condition and results of operation.

3 Potential inability to dispose of the South Asian IP in the future in favourable or equivalent market circumstances

If Closing does not occur, there would be no assurance that the Company would be able to dispose of the South Asian IP at a later date, in favourable or equivalent market circumstances. In those circumstances, the Company may received net proceeds of sale of considerably less than the Net Proceeds of the Proposed Disposal or no proceeds at all.

C Risks related to the Retained Group

If the Proposed Disposal is completed, the following risks and uncertainties may result as a consequence.

1 The market price of the Ordinary Shares after completion of the Proposed Disposal may go down as well as up

Shareholders should be aware that the value of an investment in the Company may go down as well as up and can be highly volatile. The price at which the Ordinary Shares may be quoted and the price which investors may realise for their Ordinary Shares will be influenced by a large number of factors, some specific to the Retained Group and its operations and some which may affect retail companies as a whole, other comparable companies or publicly traded companies as a whole. The sentiments of the stock market regarding the Proposed Disposal will be one such factor and this, together with other factors including the actual or anticipated fluctuations in the financial performance of the Retained Group and its competitors, market fluctuations, and legislative or regulatory changes in the retail sector or generally those affecting consumers, could lead to the market price of Ordinary Shares going up or down.

2 The Retained Group will not be permitted to develop the Brand in the Territories other than through the IPCO relationship

The Retained Group will not be permitted to develop the Brand in the Territories other than through the IPCO relationship. As such, the Company will be reliant on its strategy of concentrating on developing the Brand in its core European markets. Accordingly, the Company may miss out on potentially significant revenue in the Territories and revenue in its core European markets may not compensate for such loss of revenue.

PART V - PRINCIPAL TERMS AND CONDITIONS OF THE PROPOSED DISPOSAL

1 **LLP Agreement**

1.1 **Parties**

The LLP Agreement was entered into on 4 October 2023 between DKH Retail and RBUK as the “Initial Members” of IPCO (the “**Initial Members**”)

1.2 **Conditions precedent**

Closing is conditional upon:

- 1.2.1 the passing of the Resolution without amendment at a general meeting of the Company; and
- 1.2.2 receipt of all corporate, third party, statutory and regulatory approvals (including without limitation from third parties having security interests or other charges or encumbrances over any portion of the South Asian IP), including consent from Bantry Bay Capital Limited (as agent under the Facility Agreement) and Hilco (as a lender to the Group),

(together, the “**Conditions**”), in each case by no later than the Long Stop Date.

1.3 **Funding of IPCO**

1.3.1 On Closing:

- 1.3.1.1 RBUK will make a contribution to IPCO in an amount of £30.4 million (representing 76 per cent. of the £40 million consideration payable by IPCO to DKH Retail on Closing);
- 1.3.1.2 DKH Retail will make a contribution to IPCO in an amount of £9.6 million (representing 24 per cent. of the £40 million consideration payable by IPCO to DKH Retail on Closing), such amount to be set-off against IPCO’s obligation to pay DKH Retail an equivalent amount of the consideration for the South Asian IP under the IP Assignment and Licence Agreement; and
- 1.3.1.3 RBUK and DKH Retail will make a contribution of an aggregate amount of £50,000 to IPCO to cover general operating and business expenses, to be paid as follows: £38,000 by RBUK and £12,000 by DKH Retail.

1.3.2 The amounts to be contributed by RBUK and DKH Retail described in paragraph 1.3.1 will be credited to their respective capital accounts such that, on Closing, the IPCO Interests will be held 76 per cent. by RBUK and 24 per cent. by DKH Retail.

1.3.3 If additional funding is reasonably required to allow IPCO to meet its general business and operating expenses, the Management Board will be entitled to issue capital calls requiring each member of IPCO to contribute to IPCO, pro rata to their holding of IPCO Interests, funds in cash as required to meet such business and operating expenses up to a maximum aggregate amount of £50,000 per accounting reference period. Failure to comply with capital calls for operating expenses will constitute a fundamental breach of the LLP Agreement.

1.3.4 As long as Superdry Group holds at least 24 per cent. of the IPCO Interests, funds in addition to those referred to in paragraph 1.3.3 may only be called with Superdry Group’s prior written consent. To the extent that Superdry Group holds less than 24 per cent. of the IPCO Interests, Superdry Group’s consent will not be required

but the members of the Superdry Group will not be required (but may still chose) to contribute any funds so requested. If a member of the Superdry Group chooses not to contribute its pro rata portion of any additional funding and RBUK and/or other members choose to participate, Superdry Group's holding of IPCO Interests will be diluted and certain rights (as further set out below) will fall away.

1.4 **Management of IPCO**

- 1.4.1 The LLP Agreement provides that, unless otherwise determined with the prior written consent of RBUK, IPCO will be managed by a management board (the "**Management Board**") composed of a minimum of two and no more than four members. So long as the Reliance Group holds a majority of the IPCO Interests, it will be entitled to appoint up to three persons as members of the Management Board. So long as the Superdry Group holds no less than 10 per cent. of the IPCO Interests, it will be entitled to appoint one person as member of the Management Board.
- 1.4.2 Decisions of the Management Board will be taken by a simple majority vote and, as a result, subject to the minority protections described in section 1.5 below, the Reliance Group will control the day-to-day operation of IPCO.
- 1.4.3 Pursuant to the LLP Agreement, no member will be entitled to bring any actions for unfair prejudice in accordance with Part 30 of the Companies Act 2006.

1.5 **Minority protections**

The LLP Agreement contains certain customary limited minority protection rights (commensurate with Superdry Group's membership interest) in favour of the Superdry Group in the form of reserved matters that require the prior written consent of the Superdry Group, the majority of which will fall away if the Superdry Group holds less than 24 per cent. of the IPCO Interests.

1.6 **Related party transactions**

Any decision in respect of any transaction between IPCO, on the one hand, and RBUK or any of its affiliates, on the other hand will require the prior written consent of the Superdry Group (such consent not to be unreasonably withheld or delayed). In the event, however, that RBL breaches the terms of the Reliance Franchise and Licence Agreement, the Superdry Group will have no right to directly enforce or direct IPCO to enforce the terms of the Reliance Franchise and Licence Agreement or bring any claim against RBL for a breach thereof.

1.7 **Transfer restrictions**

- 1.7.1 Neither RBUK nor DKH Retail (nor any of their affiliates) shall be permitted to transfer directly or indirectly any of their IPCO Interests without the prior written consent of the other, except to an affiliate.
- 1.7.2 Any sales to a third party that are consented to must be of all of the IPCO Interests held by the relevant Member Group in cash and subject to pre-emption rights in favour of the other Member Group.

1.8 **Put and call options**

- 1.8.1 The LLP Agreement stipulates certain identified fundamental breaches which, if committed and remain uncured will entitled the non-breaching party: (i) if it is the Reliance Group, to buy all of Superdry Group's IPCO Interests by the exercise of a call option (the "**Call Option**") and (ii) if it the Superdry Group, to sell all of Superdry Group's IPCO Interests to the Reliance Group (the "**Put Option**"). Those fundamental breaches comprise in relation to a member of IPCO an occurrence of any of the following events:

- 1.8.1.1 a failure to provide to IPCO its portion of operating funds pursuant to the relevant call notice;
 - 1.8.1.2 in relation to DKH Retail, it or its affiliates being in breach of certain specified clauses of the IP Assignment and Licence Agreement or being in any other material breach of the IP Assignment and Licence Agreement;
 - 1.8.1.3 suspension or cessation of, or threat to suspend or cease to carry on, all or a substantial part of its business (subject to certain exceptions);
 - 1.8.1.4 transfer or attempt to transfer any interest in IPCO in contravention of the transfer restrictions in the LLP Agreement;
 - 1.8.1.5 breach of the reserved matters provisions in the LLP Agreement; and
 - 1.8.1.6 a change of control of the Company except pursuant to a scheme of arrangement or takeover offer in relation to the Company that does not result in any person who (i) is a competitor of (or an affiliate of any person who is a competitor of) RBUK and/or its affiliates or (ii) is or is associated with any other person who has an adversarial relationship with RBUK and/or its affiliates, holding or possessing 10 per cent. or more of the shares or voting powers in the Company,
- (together, the “**Breach Events**”).
- 1.8.2 Where RBUK is the non-breaching party and elects to purchase all of Superdry Group’s IPCO Interests, the purchase will occur at an aggregate purchase price which is equal to $A \times B$, where:
 - 1.8.2.1 $A = 70$ per cent. of IPCO’s fair market value; and
 - 1.8.2.2 $B =$ the percentage interest represented by Superdry Group’s then IPCO Interests.
 - 1.8.3 Where DKH Retail is the non-breaching party and elects to sell all of Superdry Group’s IPCO Interests, the sale will occur at an aggregate purchase price which is equal to $A \times B$, where:
 - 1.8.3.1 $A = 130$ per cent. of IPCO’s fair market value; and
 - 1.8.3.2 $B =$ the percentage interest represented by Superdry Group’s then IPCO Interests.
 - 1.8.4 If (i) certain widely-drawn insolvency-type events occur in relation to a member of the Superdry Group or (ii) there is a change of control of the Company pursuant to a scheme of arrangement or takeover offer in relation to the Company that does not result in any person who (i) is a competitor of (or an affiliate of any person who is a competitor of) RBUK and/or its affiliates or (ii) is or is associated with any other person who has an adversarial relationship with RBUK and/or its affiliates, holding or possessing 10 per cent. or more of the shares or voting powers in the Company, RBUK will have the right to purchase all of Superdry Group’s IPCO Interests for fair market value (the “**Insolvency / CoC Call Option**”)
 - 1.8.5 If certain widely-drawn insolvency-type events occur in relation to a member of the Reliance Group and the relevant member does not transfer its IPCO Interests to a solvent affiliate within 90 days, the Superdry Group will have the right to require the Reliance Group (including through any of its affiliates) to purchase (or

cause to have purchased) all of the IPCO Interests held by the Superdry Group for fair market value (the “**Insolvency Put Option**”).

1.8.6 The LLP Agreement contains a mechanism for determination of IPCO’s fair market value by independent expert(s).

1.9 ***Tax indemnity***

The LLP Agreement includes an indemnity given by DKH Retail in favour of IPCO in respect of any claim brought by the Indian tax authorities that capital gains tax (including any interest penalties and legal costs relating thereto) is payable in respect of the consideration paid to DKH Retail for the assignment of the South Asian IP.

1.10 ***Repayment of Consideration Loan***

The Consideration Loan shall be repaid as follows:

1.10.1 IPCO shall apply an amount equal to the amount of any value added tax recovered from HMRC in respect of the assignment of the South Asian IP under the IP Assignment and Licence Agreement towards repayment and satisfaction of the Consideration Loan promptly following receipt; and

1.10.2 to the extent that the Consideration Loan has not been repaid in full pursuant to paragraph 1.10.1 above by 31 December 2024, DKH Retail shall, on that date, make a contribution to IPCO in an amount equal to the balance of the Consideration Loan, payment of which shall be satisfied by setting of the amount then due from DKH Retail to the LLP in connection with such contribution against the outstanding amount of the Consideration Loan.

1.11 ***Joint and several liability***

Each Member Group will be considered as a single unit and members within a Member Group will be jointly and severally liable for obligations of other members within their Member Group.

1.12 ***Governing law***

The LLP agreement is governed by English law and any disputes thereunder shall be referred to and finally resolved by arbitration under the LCIA Rules.

2 ***IP Assignment and Licence Agreement***

2.1 ***Conditionality***

The IP Assignment and Licence Agreement is conditional on the LLP Agreement becoming unconditional.

2.2 ***Parties***

The IP Assignment and Licence Agreement was entered into on 4 October 2023 between the Company, DKH Retail, Supergroup Internet and IPCO.

2.3 ***Assignment and consideration***

2.3.1 In consideration for the transfer and assignment by Superdry, DKH Retail and Supergroup Internet of the South Asian IP to IPCO, IPCO has agreed to pay DKH Retail £40 million excluding value added tax (such payment shall be made without any tax withholding or tax deduction or set off unless required under UK laws). The gross proceeds (which will all be received in cash) that DKH Retail will receive from the Proposed Disposal after the set-off referred to in paragraph 1.3.1.2 above are £30.4 million.

- 2.3.2 Value added tax payable by IPCO to DKH Retail in connection with the £40 million consideration referred to above (in an amount of £8 million) will be left outstanding as a non-interest bearing loan from DKH Retail to IPCO (the “**Consideration Loan**”).

2.5 **Licence – Superdry to IPCO**

Superdry, DKH Retail and Supergroup Internet have granted to IPCO:

- 2.5.1 an exclusive right to use, on a perpetual, irrevocable and royalty-free basis, within the Territories, any past, current, and new designs and ‘tech packs’ (including improvements in relation to the same), relating to products, designs, marketing designs, store designs and the like, that Superdry (or its affiliates) develop. 8.1.7 **Facility Agreement**

The Company is party to an £80,000,000 revolving credit facility agreement originally dated 22 December 2022 (the "**Facility Agreement**"). The parties to the Facility Agreement are: (1) the Company; (2) certain affiliates of the Company as original borrowers (the "**Borrowers**"); (3) certain affiliates of the Company as original guarantors (the "**Guarantors**") (the Borrowers and Guarantors, together the "**Obligors**"); (4) BB Funding (GBP) S.à r.l., acting exclusively in the name and on behalf of the Compartment No 1 as original lender (the "**Lender**"); (5) Bantry Bay Capital Limited as arranger (in such capacity the "**Arranger**"); (6) Bantry Bay Capital Limited as agent (in such capacity the "**Agent**"); and (7) Bantry Bay Capital Limited as security trustee (in such capacity the "**Security Trustee**"). The Arranger, the Agent, the Security Trustee and the Lender are together the "**Finance Parties**").

The key terms of the Facility Agreement are set out below:

8.1.7.1 *Facility*

The facility made available by the Lender under the Facility Agreement (the "**Facility**") consists of an asset-based lending and receivables purchase facility pursuant to which the Lender will from time to time:

- (i) purchase certain receivables owing by account debtors to the Obligors together with all connected rights, claims, deposits and payments, including those relating to any guarantees, indemnities or bonds; and
- (ii) make loans to the Borrowers.

The amount available to be drawn by the Borrowers under the Facility is calculated as the aggregate of:

- (iii) the lesser of (a) 85% of the value of certain eligible receivables owed to the Borrowers and (b) £80,000,000; plus
- (iv) the lesser of (a) 80% of the net value of certain eligible stock of the Borrowers and (b) £80,000,000, less certain deductions.

The availability of the Facility is subject to a “**Headroom Block**” whereby the Borrowers are only entitled to draw 75% of such amount whilst the Headroom Block is in effect. The Headroom Block is removed from the point at which the Borrowers are able to certify that actual EBITDA (for the financial year ended 30 April 2023, the twelve-month period ending 31 October 2023 or the financial year ending 30 April 2024) is at least 80% of forecast EBITDA for that period.

As at the Latest Practicable Date, the total amount drawn under the Facility Agreement was £47 million.

8.1.7.2 *Purpose*

Each Borrower is permitted to apply amounts borrowed under the Facility Agreement towards:

- (a) refinancing certain liabilities relating to its existing financial indebtedness (only for the first utilisation under the Facility Agreement);
- (b) paying fees, costs and expenses associated with the Facility; and
- (c) its general corporate and working capital purposes.

8.1.7.3 *Repayment*

Unless extended, the final repayment date for the Facility is 22 December 2025.

In respect of the eligible receivables purchased by the Lender under the Facility Agreement, the Borrower which is owed that receivable must repurchase the receivable from the Lender if full payment of the receivable has not been received by the Agent (on behalf of the Lender) within certain specified periods.

8.1.7.4 *Interest, purchase commission and fees*

In addition to customary fees and indemnities (i) interest is payable on the loans made under the Facility and (ii) a purchase commission is payable in respect of the receivables sold under the Facility Agreement at a rate which (in each case) is the aggregate of SONIA plus a margin of 7.5% per annum.

8.1.7.5 *Guarantees and security*

Each Guarantor irrevocably and unconditionally jointly and severally guarantees and indemnifies to each Finance Party

(as such term is defined in the Facility Agreement) the punctual performance by each Obligor of its obligations under the Facility Agreement. The guarantee is subject to a limitation whereby it will not apply to the extent it would result in constituting unlawful financial assistance or contravene rules on fraudulent conveyances or transfers within the laws of the jurisdiction of the relevant Guarantor.

The guarantee is also capped in respect of any Belgian Guarantors (of which, at the date of the Facility Agreement, there were none).

The sums due under the Facility Agreement are secured by way of an all asset security package, consisting of:

- (i) a first ranking English law governed debenture granted by the Obligors situated in England and Wales being:
 - (a) the Company;
 - (b) DKH Retail;
 - (c) C-Retail Limited; and
 - (d) SuperGroup Internet.
- (ii) a Belgian law governed inventory pledge and collateral access agreement, granted by DKH Retail;
- (iii) a German law governed account pledge agreement, granted by DKH Retail; and
- (iv) a pledge and security agreement governed by the laws of the state of New York securing certain property and assets situated in the USA, granted by:
 - (a) Superdry Retail LLC;
 - (b) Superdry Wholesale LLC;
 - (c) Supergroup USA Inc.;
 - (d) DHK Retail; and
 - (e) the Company.

8.1.7.6 *Financial covenants*

Whilst there is a Headroom Block, the Company is required to ensure that available cash is credited to the accounts of the Obligors (other than any receivables collection account) at all times in an amount greater than £1,000,000.

Once the Headroom Block has been removed, there is a requirement to ensure that the combined amount by which the total availability under the Facility exceeds: (i) the amount of the drawn loans; plus (ii) available cash in the bank accounts designated as collection accounts for the purposes of the Facility Agreement, is greater than £7,500,000 (the “**Financial Covenant**”).

If the Financial Covenant is at any time not satisfied, the Company may procure the payment of cash into a collection account in an amount which is adequate to cure the breach (“**Equity Cure**”). The right to make an Equity Cure can be exercised by the Company no more than a total of 6 times during the term of the Facility.

8.1.7.7

Operational covenants

In addition to the Financial Covenant, the Facility Agreement contains certain operational covenants (the “**Operational Covenants**”). The Operational Covenants include the following, each of which are tested on the final day of each calendar month (the “**Test Date**”):

- (i) for each UK receivables Borrower (i.e. DKH Retail or any other company designated as such in accordance with the Facility Agreement):
 - (a) its debt turn (i.e., the length of time for debts to be paid, calculated by the Agent on the basis of day sales outstanding (the “**Debt Turn**”)) when measured on a rolling 3-month basis shall not exceed 110 days, and
 - (b) its dilution rate (being the aggregate value of all credit notes, debit notes, discounts, write-off, deductions, retentions, rebates, sets-offs or other adjustment (the “**Dilution Rate**”)) for the preceding 3 months is no more than 7% of the aggregate value of sales for the preceding 3 months.
- (ii) for each US receivables Borrower (i.e., Superdry Wholesale LLC or any other company designated as such in accordance with the Facility Agreement):
 - (a) its Debt Turn (when measured on a rolling 6-month basis) shall not exceed 225 days up until 31 March 2023, shall not exceed 175 days up until 30 June 2023 and, from any date thereafter, it shall not exceed 120 days; and
 - (b) its Dilution Rate for the preceding 6 months is no more than 10% of the aggregate value of sales for the preceding 6 months.

On each Test Date in July, August, September, October, November or December, the aggregate stock turn (i.e. in respect of any month, the rolling three-month average of the aggregate cost of sales made by group companies in that month and the previous eleven months multiplied by 365, divided by the value of all stock as at the end of that month, net of provisions but plus any adjustments the Agent may require (the “**Stock Turn**”)) shall not exceed 250 days. The Stock Turn on each Test Date in January, February, March, April, May or June shall not exceed 210 days.

A breach of an Operational Covenant shall not constitute an event of default under the Facility Agreement. However, if an

Obligor is not in compliance with any Operational Covenant, the Agent may:

- (i) establish additional reserves, which is the amount established by the Agent as necessary for the payment of certain costs and expenses of the Obligors, which is then deducted from the amount available for drawing under the Facility; and
- (ii) request that an appraisal of its stock is provided to the Agent by an approved appraiser at the Company's cost.

The Facility Agreement also contains certain other customary general representations, warranties and undertakings including (but not limited to) compliance with laws, maintenance of requisite authorisations, limitations on disposal of assets and imposition of customary restrictions on, amongst other things, mergers, acquisitions, incurrence of financial indebtedness, intra-group arrangements, loans out and grant of security.

8.1.7.8 *Events of default*

The Facility Agreement contains customary events of default including non-payments of amounts due pursuant to the Facility Agreement and related finance documents, insolvency, cross default, misrepresentation, material adverse change and change of ownership.

8.1.8 **Bantry Bay Additional Liquidity Letter**

8.1.8.1 The Company is party to an additional liquidity letter with the Agent (for itself and each of the Finance Parties dated 24 April 2023 (as subsequently amended) (the "**Bantry Bay Additional Liquidity Letter**").

8.1.8.2 Pursuant to the Bantry Bay Additional Liquidity Letter, the following amendments are made to the Facility Agreement:

- (i) the Headroom Block is removed;
- (ii) the Facility limit is reduced to the lesser of:
 - (a) £53,000,000; and
 - (b) the total availability under the Facility plus £10 million.

8.1.8.3 The amendments were temporary and have now expired.

8.1.9 **Hilco Facility Agreement**

The Company is party to an £25,000,000 revolving credit facility agreement dated 7 August 2023 (the "**Hilco Facility Agreement**"). The Hilco Facility Agreement is provided on a second lien basis to the Facility Agreement and shares structural and operational similarities to the Facility Agreement. The parties to the Facility Agreement are the same as the Facility Agreement: (1) the Company; (2) the Borrowers; (3) the Guarantors; and (4) HUK 128 Limited as lender ("**Hilco**")

The key terms of the Hilco Facility Agreement are set out below.

8.1.9.1 *Hilco Facility*

The facility made available by Hilco under the Hilco Facility Agreement (the “**Hilco Facility**”) consists of a revolving working capital facility pursuant to which Hilco will from time to time make loans to the Borrowers.

The amount available to be drawn by the Borrowers under the Facility is calculated as the aggregate of:

- (1) £12,500,000;
- (2) an amount equal to 90% of the net value of certain eligible receivables of the Borrowers (less the amount attributed to such eligible receivables under the terms of the Facility Agreement); plus
- (3) an amount equal to 95% of the net value of certain eligible stock of the Borrowers (less the amount attributed to such eligible stock under the terms of the Facility Agreement);

less certain deductions.

As at the Latest Practicable Date, the total amount drawn under the Hilco Facility Agreement was £10 million.

8.1.9.2 *Purpose*

Each Borrower is permitted to apply amounts borrowed under the Hilco Facility Agreement towards:

- (1) paying fees, costs and expenses associated with the Hilco Facility; and
- (2) its general corporate and working capital purposes.

8.1.9.3 *Repayment*

Unless extended, the final repayment date for the Hilco Facility is 7 August 2024.

If amounts outstanding under the Hilco Facility exceed the total facility limit and/or total availability limit then such excess is to be repaid.

8.1.9.4 *Interest, purchase commission and fees*

In addition to customary fees and indemnities, interest is payable on the loans made under the Hilco Facility at a rate which (in each case) is the aggregate of the annualised Bank of England base rate plus a margin of 10.50% per annum.

8.1.9.5 *Guarantees and security*

Each Guarantor irrevocably and unconditionally jointly and severally guarantees and indemnifies Hilco the punctual performance by each Obligor of its obligations under the Hilco

Facility Agreement. The guarantee is subject to a limitation whereby it will not apply to the extent it would result in constituting unlawful financial assistance or contravene rules on fraudulent conveyances or transfers within the laws of the jurisdiction of the relevant Guarantor.

The guarantee is also capped in respect of any Belgian Guarantors (of which, at the date of the Hilco Facility Agreement, there were none).

The sums due under the Hilco Facility Agreement are secured by way of an all asset security package, regulated by an intercreditor arrangement in respect of, amongst others, the interests of the Lender and Finance Parties pursuant to the Facility Agreement, consisting of:

- (1) an English law governed debenture granted by the Obligors situated in England and Wales being:
 - (1) the Company;
 - (2) DKH Retail;
 - (3) C-Retail Limited; and
 - (4) SuperGroup Internet.
- (2) a Belgian law governed inventory pledge and collateral access agreement, granted by DKH Retail;
- (3) a German law governed account pledge agreement, granted by DKH Retail; and
- (4) a pledge and security agreement governed by the laws of the state of New York securing certain property and assets situated in the USA, granted by:
 - (1) Superdry Retail LLC;
 - (2) Superdry Wholesale LLC;
 - (3) Supergroup USA Inc.;
 - (4) DKH Retail; and
 - (5) the Company.

8.1.9.6 *Financial covenants*

The Hilco Facility has the same financial covenant regime as the Facility.

8.1.9.7 *Operational covenants*

The Hilco Facility has the same operational covenant regime as the Facility.

The Hilco Facility Agreement also contains certain other customary general representations, warranties and undertakings including (but not limited to) compliance with laws, maintenance of requisite authorisations, limitations on

disposal of assets and imposition of customary restrictions on, amongst other things, mergers, acquisitions, incurrence of financial indebtedness, intra-group arrangements, loans out and grant of security on the same terms as the Facility.

8.1.9.8 *Events of default*

The Hilco Facility Agreement contains customary events of default including non-payments of amounts due pursuant to the Hilco Facility Agreement and related finance documents, insolvency, cross default, misrepresentation, material adverse change and change of ownership on the same terms as the Facility.

8.2 **The South Asian IP**

No contracts have been entered into (other than contracts entered into in the ordinary course of business) in respect of the South Asian IP either: (i) within the period of two years immediately preceding the date of this document, which are or may be material to the South Asian IP; or (ii) at any time, which contain any provisions under which there are obligations or entitlements which are, or may be, material as at the date of this document, save as discussed below.

8.2.1 **Franchise Agreement**

The Franchise Agreement was entered into on 10 May 2012 between DKH Retail and RBL and was subsequently amended by way of an amendment agreement dated 28 November 2016. The parties entered into an addendum in connection with the Franchise Agreement dated 15 August 2022 (the "**Addendum**").

The key terms of the Franchise Agreement and Addendum are set out below:

8.2.1.1 *Licence*

Under the Franchise Agreement, DKH Retail granted RBL:

- (a) an exclusive licence to use the trade mark 'SUPERDRYSTORE' (the "**Retail Trade Mark**") as the name of the brick and mortar standalone retail shops, concessions and clearance outlets owned or operated by RBL (each a "**Sales Point**"), and to sell any goods bearing the 'SUPERDRY' trade mark (the "**Trade Mark**") offered for sale by DKH Retail (the "**Franchise Goods**") in the Sales Points; and
- (b) a non-exclusive licence to sell in the Sales Points any goods bearing the Trade Mark offered for sale by a third party that has been licensed by DKH Retail to manufacture, distribute and sell such goods in a substantial number of countries (such countries to be located on two or more continents and to include India) (the "**Franchisor Licensee Goods**"), and to use the Retail Trade Mark and Trade Mark to promote the Franchisor Licensee Goods and the business of RBL in India.

The terms of the licence granted under the Franchise Agreement required RBL to purchase all Franchise Goods to be sold at the Sales Points from DKH Retail (or its licensees).

DKH Retail subsequently agreed to allow RBL to source certain of the Franchise Goods (including various articles of menswear and womenswear, such as shirts, denim pants, underwear and sliders) (the “**Products**”) directly from manufacturers in India used by DKH Retail for the manufacture its own products.

Accordingly, pursuant to the terms of the Addendum, DKH Retail granted RBL a non-exclusive licence to manufacture, distribute, sell, and promote the Products in India and to use the Retail Trade Mark and Trade Mark in relation to Products manufactured, distributed, sold, advertised and promoted by RBL in India.

8.2.1.2 *Royalties*

In consideration for the licences granted under the Franchise Agreement, RBL pays DKH Retail customary royalty fees.

8.2.1.3 *Term*

The current term of the Franchise Agreement commenced on 1 January 2022 and will expire on 31 December 2027 unless terminated in accordance with its terms. If the parties agree to enter a joint venture, the Franchise Agreement will terminate automatically upon the joint venture coming into force.

The Addendum commenced on 1 January 2022 and will co-terminate with the Franchise Agreement unless terminated earlier in accordance with its terms. Please note the Termination Agreement more particularly described in paragraph 5 of Part V (*Principal Terms and Conditions of the Proposed Disposal*) of this document.

8.2.1.4 *Exclusivity*

Save in respect of the Franchisor Licensee Goods, DKH Retail is not permitted to sell or distribute the Franchise Goods in India other than through RBL.

8.2.1.5 *Approval of Sales Points*

RBL is required to obtain DKH Retail’s prior approval of the location of any Sales Points. Such approval is at the absolute discretion of DKH Retail.

8.2.1.6 *Franchisor obligations*

As far as it considers necessary for RBL to perform its obligations under the agreement, DKH Retail may (amongst other things):

- (a) instruct RBL as to the design of the Sales Points, including the design, equipment and lay-out and the presentation of the Franchise Goods;

- (b) advise RBL and provide its staff with training guidelines;
- (c) visit the Sales Points to analyse RBL's operating methods and advertising and make suggestions in respect of the same; and
- (d) at its sole discretion, develop and provide RBL with materials in connection with sales programmes and campaigns for the promotion of the business of RBL.

8.2.1.7 *Franchisee obligations*

Throughout the term of the agreement, RBL must (amongst other things):

- (a) comply with any instructions and specifications issued by DKH Retail in relation to the design of the Sales Points and obtain the prior consent of DKH Retail prior to any refurbishment or alteration to the Sales Points;
- (b) directly own and operate each Sales Point and ensure that any leases are in the name of RBL, and obtain at its own expense any consents, licences and permissions necessary for the operation of each Sales Point; and
- (c) not sell any Franchise Goods to any person with the knowledge or belief that the Franchise Goods are intended to be shipped or delivered outside of India.

RBL is required under the terms of the Franchise Agreement to purchase all Franchise Goods to be sold at the Sales Points from DKH Retail (or its licensees). However, as noted above, the Addendum carves out the Products from this prohibition and permits RBL to source the Products directly from Indian manufacturers used by DKH Retail.

8.2.1.8 *Restrictions*

RBL must not (amongst other things):

- (a) use in connection with the business of retailing the Franchise Goods from the Sales Points any intellectual property rights other than those licenced under the Franchise Agreement or approved by DKH Retail;
- (b) do or permit anything to be done which may damage the name of DKH Retail or the reputation or goodwill of the Franchise Goods, Retail Trade Mark or Trade Mark, or the validity of any of DKH Retail's intellectual property rights; or
- (c) use any trade mark or name that is likely to cause confusion with the Retail Trade Mark and Trade Mark or display the Retail Trade Mark or Trade Mark in such a way that would lead third parties to

believe that the marks were owned by anyone other than DKH Retail.

In addition to similar restrictions in respect of the licence granted by DKH Retail in respect of the Products, the Addendum prohibits RBL from incurring any expenses in relation to the Products which will, to any extent, be incurred by DKH Retail, without DKH Retail's prior written approval.

8.2.1.9 *Minimum order requirements*

The Franchise Agreements contains minimum order requirements that RBL must meet, however a failure to meet such requirements is not considered to be a material breach of the agreement (the "**Minimum Order Requirements**").

The applicable Minimum Order Requirement varies according to the contract year; for the years 2023, 2024 and 2025, the applicable Minimum Order Requirements are INR ₹546m; INR ₹600m; and INR ₹660m respectively.

8.2.1.10 *Internet sales*

If DKH Retail distributes or sells the Franchise Goods (excluding the Franchisor's Licensee Goods) in India over the internet other than through or with the involvement of RBL, DKH Retail shall pay RBL in respect of such sales 20% of earnings before interest and tax if RBL has met the applicable Minimum Order Commitment, or 18% if the Minimum Order Commitment has not been met.

8.2.1.11 *Indemnities*

Each party to the Franchise Agreement agrees to indemnify the other against certain agreed customary losses.

8.2.1.12 *Warranties*

DKH Retail provides customary warranties in respect of the Retail Trade Mark and Trade Mark, i.e., that it is the proprietor of the trade marks and that the use of the trade marks by RBL will not infringe the intellectual property rights of any third party (the "**IP Warranty**").

8.2.1.13 *Termination*

In addition to customary rights for termination in the event that RBL commits a material or persistent breach of the agreement or becomes insolvent (in which case DKH Retail is entitled to terminate the agreement immediately on notice to RBL) the Franchise Agreement is capable of immediate termination by DKH Retail if RBL:

- (a) challenges the validity of DKH Retail's rights in or to any of the intellectual property rights relating to the Franchise Agreement;
- (b) fails to meet 75% of the Minimum Order Requirement in any two consecutive years; or

- (c) undergoes a change of control.

The Addendum contains similar termination provisions in favour of DKH Retail.

The Franchise Agreement is capable of immediate termination by RBL if DKH Retail ceases to have the right to grant the Retail Trade Mark or Trade Mark or fails to maintain a trade mark registration in respect of the same.

8.2.1.14 *Liability*

DKH Retail's total aggregate liability under the Franchise Agreement in any year is limited to:

- (a) 25% of the aggregate monetary amount of the orders required to achieve the Minimum Order Requirement for that year, in respect of any breach by DKH Retail of the Franchise Agreement or DKH Retail's obligation to indemnify RBL (save in respect of the IP Warranty); and
- (b) the higher of £45,000 and 15% of the royalties payable by RBL under the Franchise Agreement for the year immediately preceding that year, in respect of any breach of the IP Warranty or DKH Retail's obligation to indemnify RBL in respect of the same.

RBL's aggregate liability in any one year is limited to 20% of the aggregate turnover which would be generated by RBL if it were to meet the Minimum Order Requirements for the year in which the liability occurs.

8.2.1.15 *Governing law*

The Franchise Agreement and Addendum and any disputes in connection with either agreement are governed by and construed in accordance with the laws of England. The parties agree that disputes shall be resolved by arbitration under the London Court of International Arbitration Rules.

11 No Significant Change

11.1 The Retained Group

There has been no significant change in the financial position or financial performance of the Retained Group since 29 April 2023, being the end of the last financial period for which financial information of the Company has been published, except that:

- on 4 May 2023, the Company announced the results of the Placing and the Retail Offer (this affects the financial position of the Retained Group). The significant change is described in paragraph 1 of page 1 of the announcement made by the Company on 4 May 2023 entitled 'Result of Equity Issue', incorporated by reference into this document as referred to in paragraph 14.1.4 of this Part VI (*Additional Information*) of this document;

- on 7 August 2023, the Company announced the entry into a secondary lending facility of up to £25 million with Hilco. £10m has now been drawn down under that facility (this affects the financial position of the Retained Group);
- on 1 September 2023, the Company announced:

"The consumer retail market continues to remain challenging and unpredictable. The extreme weather events across the UK and Europe have had a negative impact on our Spring Summer collection. Conversely, our new Autumn Winter collection is selling better this early in the season, than usual. Building on the success of our jacket collection last year, we continue to anticipate another strong year for our outerwear.

For the full year, we don't expect to see significant revenue growth as we focus on cost savings and margin improvement. The £35m cost savings programme announced

earlier in the year should be fully realised during FY24.”

(this affects both the financial position and financial performance of the Retained Group); and

- on 4 October 2023, the Company announced the Proposed Disposal (this affects the financial position of the Company). The significant change is described in paragraph 5 of Part 1 (*Letter from the Chair*) of this document.

11.2 **The South Asian IP**

There has been no significant change in the financial position and financial performance of the South Asian IP since 29 April 2023, being the date to which the most recent financial information relating to the South Asian IP has been prepared.

Registered Office: Unit 60, The Runnings, Cheltenham, Gloucestershire GL51 9NW

NOTES

- 1 Only those Shareholders registered on the register of members of the Company as at 6.30 p.m. on 6 November 2023 (or, in the event of any adjournment, on the date which is two days before the time of the reconvened meeting) shall be entitled to attend or vote at the General Meeting in respect of the number of ordinary shares registered in their name at that time. Changes to entries on the register of members after that time will be disregarded in determining the right of any person to attend or vote at the General Meeting.
- 2 Every shareholder entitled to attend and vote at the General Meeting is entitled to appoint a proxy to attend and, on a poll, to vote instead of that Shareholder.
- 3 A proxy may be appointed by any one of the following methods:
 - (i) completing and returning the enclosed Form of Proxy;
 - (ii) electronic proxy appointment by logging on to Registrars' website, www.eproxyappointment.com. Shareholders will need their Control Number, PIN and Shareholder Reference Number printed on the face of the accompanying form of proxy. Full details of the procedure are given on the website; or
 - (iii) if you are a member of CREST, by using the CREST electronic appointment service.
- 4 **IMPORTANT:** in any case, your instruction or Form of Proxy must be received by the Company's Registrars no later than 10:00 a.m. on 6 November 2023.
- 5 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 6 So that a CREST proxy appointment or instruction to a proxy can be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in compliance with Euroclear UK & International's specifications and must contain the necessary information, described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so that Computershare Investor Services PLC (issuer's agent ID 3RA50) receives it by not later than 10:00 a.m. on 6 November 2023. The time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Computershare Investor Services PLC is able to retrieve the message by enquiry to CREST in the manner required by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- 7 CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 8 The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- 9 The return of a completed proxy form, other such instrument, or any CREST Proxy Instruction will not prevent a Shareholder attending the General Meeting and voting in person if he/she wishes to do so.
- 10 If the proxy is being appointed in relation to part of your holding only, enter the number of shares over which they are authorised to act as your proxy in the box next to the proxy's name. If this box is left blank, they will be authorised in respect of your full voting entitlement.
- 11 To appoint more than one proxy, you should obtain additional Forms of Proxy from the company's registrar, Computershare, or you may photocopy the Form of Proxy enclosed with this notice. Please ensure you specify the number of shares over which each proxy can act, as in the note above. Multiple Forms of Proxy should be returned together in the same envelope.
- 12 Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.
- 13 The statement of the rights of Shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
- 14 As at 19 October 2023 (being the last practical date prior to the publication of this Notice), the Company's issued share capital consists of 97,953,475 ordinary shares of £0.05 each, carrying one vote each. Therefore, the total number of voting rights in the Company as at 19 October 2023 is 97,953,475.
- 15 Pursuant to section 319A of the Companies Act, the Company must cause to be answered at the General Meeting any question relating to the business being dealt with at the General Meeting which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered, or if to do so would involve the disclosure of confidential information.
- 16 In accordance with section 311A of the Companies Act, the contents of this notice of meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the General Meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website <https://corporate.superdry.com/investors/>.
- 17 You may not use any electronic address provided either in this Notice or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same share.
